

## Pre-Primary Overview

During Term 3 in Italian, the children will revise, extend and consolidate on the Italian phrases and terms they have learnt so far this year. When learning a new language, repetition is necessary for fluency and pronunciation.

In Pre-Primary, we will continue to focus on the following:

- How to greet each other in Italian. (I saluti)
- Use their manners. (Manieri)
- Introduce themselves (Come ti chiami? Mi chiamo...)
- Numbers 1-10 (Numeri)
- How old are you? (Quanti anni hai?)
- Colours (Colori)

In addition, we will be able to:

- Say the names of some of our body and facial parts in Italian.
- Name some fruits (frutta) and vegetables (verdure) in Italian
- Ask people how they are. (Come stai?) and some responses such as *così, così, bene, sto male* etc.
- Name some animals.

All the learning is carried out using songs, games, stories, direct instruction, craft, worksheets, conversation, role-play, videos and power point presentations.
