- online and hard copy school newsletters
- the School website

**In all instances, the privacy and safety of the children are paramount.
No child would be named with their image or with their work sample.**

If published, third parties would be able to view the photographs and work.

If you sign the attached form it means that you agree to the following:

- The school is able to publish images of your child and samples of your child's work.
- Your child's image may be reproduced either in colour or in black and white.
- The school will not use your child's image or samples of your child's work for any purpose other than for the education of students or for the general promotion of St Benedict's school or Catholic Education.

Any images captured by the school will be kept for no longer than is necessary for the above-mentioned purposes and will be stored and disposed of securely. Whilst every effort will be made to protect the identity of your child, St Benedict's School cannot guarantee that your child will not be able to be identified from the image or work.
