Tax Deductible Building Fund

Dear Parents,

Our School has undergone a complex building expansion project which has transformed our resources and buildings, and is currently enjoyed by all students and staff.

However to ensure these resources and buildings are enjoyed by future generations we have a duty to maintain our 21st Century facilities.

As a school community, the responsibility to maintain and uphold our new facilities falls squarely on our shoulders. This financial obligation impacts on our budgets and, with the approach of the end of the financial year, we are encouraging families to make a donation to our Tax Deductible Building Fund.

An official receipt will be issued to ensure that you receive a full tax deduction.

Should you have any family members or friends looking for a worthy tax deduction, please don't hesitate to recommend the St Benedict's Building Fund.

St Benedict's School Board
