Tax Deductible Building Fund

The St Benedict's School Building Fund (SBSBF) has been established to provide an opportunity for you to support and contribute to the ongoing development and maintenance of our school buildings and infrastructure. Your contributions will be used to support key areas of our capital works program that are not covered by the School's operating budget. All funds donated to the SBSBF must be used exclusively in the construction, acquisition and maintenance of school buildings and fixtures. Examples of the use of these funds include air conditioning, improvements to classroom fixtures and fittings and maintenance of school buildings.

The first goal identified is to provide air conditioning to the new Library.

The fund has been registered with the Australian Taxation Office as a "Deductible Gift Recipient" All contributions to the fund are fully tax deductible and a receipt will be issued. The fund is open to the general public and all donations are very welcome.

To make your contribution please complete the form and return with your payment to the school office.

All donations will improve the learning experience for your children.

Please give generously.
